

VIH Intern Application

VIH Interns commit to a minimum of twenty hours per week for two semesters in addition to the two weekend retreats. Interns are encouraged to be creative and propose ideas. Possible tasks include: website management, newsletter, retreat co-facilitator, affordable abroad research, marketing sessions, application updates, and advising duties.

In order to apply for the VIH Intern position, please submit the following:

1. A current CV
2. A cover letter outlining:
 - a. Your experience with the VIH program, what you hope to contribute as the VIH Intern, your past technological experience, and your approach to communication and organization
3. One VIH Intern Application Reference Form
